Had We made the Qurᵓān [so that it was revealed] in a foreign [tongue], they would have said, "Why aren't its Signs clearly spelled out [in Arabic]? [and would go on to ask why] is it [in a] foreign [language] and [yet it comes on the tongue of] an Arab [messenger]?"

[Rather] say [to them], *"It is, for those who believe, [both] a guidance and a cure.* And [for] those who do not believe — it is deafness in their ears and a covering over their eyes. They are like people being called from a distant place."
